

Authors Guidances

[Download Pdf](#)

Botanical Report (Print) and (Online) is published in quarterly journal (March, June, September and December). The scope and aims of the journal is an internationally recognized innovation of scientific bioresearch attracting authors and audiences from both the academic and industrial communities. Papers offering original and innovative research contributions in original research work either as a Full length Research Paper or as a Short Communication. Research Articles without delay in the developing field of plant sciences: Taxonomy, cell biology, genetics, developmental biology, phytochemistry and pharmacology.

Guidelines for preparation of manuscript should be following:

The following types of papers are considered by the Editors: Research Articles, Review Articles, and Short Reports. Papers are preferable to be written in English. Papers are accepted on the understanding that they have not been published or being submitted for publication elsewhere.

Manuscript Submission

Manuscript should be electronically submit to email: botanicalreport@yahoo.com . If the article is accepted for publication, an electronic copy of the final version of the manuscript will be requested. If excerpts from other copyrighted works are included, the author must obtain written permission from the copyright owners and credit the source(s) in the article. The manuscript should be following in the order: (1) Title, (2) Abstract, (3) Keywords, (4) text, (5) Acknowledgements, (6) References, (7) Tables, (8) Figures. The text for research articles should contain the following sections: Introduction, Materials and Methods, Results, Discussion (or Results and Discussion) and Conclusions.

Review of Manuscripts

Manuscript will be peer-reviewed. The reviewers' relevant comments and the editor's decision will be communicated to the authors. The qualified reviewer can be recommended by the authors; however the selection of reviewers will be at the discretion of the Editor. Papers accepted become the copyright of the Journal.

Title

The title should be on the first page and provide precise information about the contents. Title should not exceed 120 characters (space included). The title should be followed by the list of author(s) and affiliation(s).

Corresponding author should be indicated with the postal address, phone and e-mail address.

Abstract and Keywords

Papers must begin with an abstract not exceeding 250 words. It should contain a brief description of the aim, principal results and major conclusions. 5-10 informative English keywords are required.

Text

For research article, It should contain Introduction, Materials and Methods, Results, Discussion (or Results and Discussion) and Conclusion sections

The chemical terms must conform to IUPAC rules and the SI units must be used throughout. The specification of materials and equipment must be given.

For experiments involving human or animal subjects, authors must state in the manuscript the approval of the protocol by an institutional or local ethics committee. The Declarations of Helsinki, Tokyo for humans, the European Community and Indian Council of Medical Research guidelines as accepted principles for the use of experimental animals, must be adhered to.

Equations must be consecutively numbered on the right hand side using numbers in parentheses.

References

Citations of Literature in the text must be following

Yamada, H., Yoshino, M. and Matsumoto, T. 1987. Effects of phytosterols on anti-complementary activity. *Chem. Pharm. Bull.*, 35: 4851- 4855.
